ABOUT OCEAN COUNTY COLLEGE

Ocean County College is an accredited, two-year, public community college located in Toms River, New Jersey. The mission of the institution is to foster excellence and a caring environment through its commitment to offer comprehensive educational programs that develop intentional learners of all ages and to provide broadly-based student support.

Ocean County College offers three degrees: the Associate of Arts (A.A.) degree, the Associate of Science (A.S.) degree, and the Associate of Applied Science (A.A.S.). Within each of the three degrees are several choices of majors. The Ocean County College vision is to ensure that its students have what they need to find meaningful educational and career opportunities.

ABOUT THE UNITED STATES SPORTS ACADEMY

The Academy is “America’s Sports University®,” an accredited, sport-specific institution. The Academy offers bachelor’s, master’s, and doctoral degrees, as well as certification programs, all online with no residency requirement.

The Academy has been a leader in sports education for nearly four decades, not only in the United States, but also in more than 60 countries around the world. The Academy’s graduate program is the largest in the field. With an innovative system of web-based distance learning, the Academy can deliver its online courses anywhere in the world on an ongoing flexible schedule.

The success of the Academy’s alumni in the profession of sport is its greatest achievement. Our alumni have reached the highest echelons of sport, making significant contributions to the profession worldwide. More than 74% of Academy alumni work in the sport profession, which is almost three times the placement average of schools nationwide.
