The published fees and costs schedule include the basic fees required of all students enrolling in the Academy. Since personal expenses (including supplies, food, and living expenses) vary, no attempt is made to estimate such costs in this catalog. However, estimated costs are available through the Division of Student Services.

Active duty members of the Armed Forces, including members of the National Guard who are under orders placing them on active duty and who are eligible to participate in Department of Defense tuition assistance programs, will be charged a tuition rate that is not higher than the maximum amount per credit hour that is covered by the tuition assistance program. In addition, the Distance Learning Fee, and Independent Study Fee will be waived.

Spouses of active duty military members of the armed forces will receive a 10% discount on tuition.
