SAB 561 Contemporary Issues in Sports	3			
SAM 543 Sports Administration	3			
SAM 544 Sports Marketing	3			

**Before completion of their Core Courses, students must select the academic track they intend to follow:
 Mentorship Option, Thesis Option or Non-Thesis Option**

Students in Sports Health & Fitness AND Sports Medicine MUST take a mentorship. However, those students who are healthcare professionals or physicians may petition to take additional courses in lieu of the mentorship. The petition must include documentation of credentials as a physician or other healthcare professional.

Students selecting the Thesis Option must complete the Master's Degree Portfolio.

Students selecting the Mentorship or the Non-Thesis Option must take the Master's Degree Comprehensive Examination at the end of their program of study.

MASTER OF SPORTS SCIENCE
Program of Study For All Majors with Emphasis Courses
NCAA Compliance, Olympism, Personal Training, Recreation Management,
Sports Hospitality, OR Sports Psychology,

NOTE: Students in ALL Majors seeking an Emphasis should also complete this Program of Study as an attachment to the Program of Study for their major course of study. This applies to students with a single major AND students in a dual major program. Complete only the section that applies to the student's emphasis area.
